

Gjovik Supports FVCS

Community minded, Olaf Gjovik, has once again benevolently donated to Fox Valley Community Services (FVCS). Gjovik's support helps FVCS to continue assisting seniors in DeKalb, Kane, Kendall and LaSalle counties to live vibrant independent lives.

Olaf is owner of Gjovik Chevrolet Buick GMC of Sandwich. This area car dealership has been a much-respected member of the community for many years.

Sponsorships and advertising are available through FVCS. Through Sponsorships FVCS receives support and participating businesses and organizations have many opportunities to inform the community of their products and services.

FVCS offers Active Adult Activities, including trips, at their Sandwich Senior Center. Transportation and Nutrition are offered in partnership with Voluntary Action Center. FVCS offers Non-medical Home Services and Adult Day Service in all 4 counties.

Please call the Home Services Department for more information – 815-570-2531 or 815-786-9404 for Active Adult Activities, Adult Day Service and Sponsorship information.
