Please join us as we raise awareness and funds for the Mountain Child Advocacy Center. Your sponsorship of our event shows your commitment to children in Buncombe County.

Together, we can make sure all children have the safe, happy childhood they deserve!

Our Impact: Mountain Child Advocacy Center is setting the standard for the prevention and treatment of child abuse and neglect. Each year we teach over 9,000 children in Buncombe County how to protect themselves with highly interactive, research based classes that educate and empower kids. When abuse does occur, we provide immediate access to free, evidenced based therapies that help children heal.

Your Impact: Your support of our Compassion for Children breakfast allows us to reach even more children in need:

	Children receiving abuse prevention classes	Therapy sessions for children experiencing trauma
2016	9,184	871
2017	9,513	1,169
Percentage increase	3.4%	34%

Sponsor Benefits: Your sponsorship illustrates your commitment to our community and our children, and we offer a variety of ways to publicize your support. Please see a full list of benefits below.
