Thank God for PTREA

PTREA has changed my life because I usually only prayed before dinner and before bed, but now I pray during the day too !!!
McKaila G — SE

I like PTREA because you hear a story that seems fake, but it's true. The Bible is also one of the best books in the world to most people.
Ethan B —DM

In PTREA, I have learned to love God with all my heart. God has given life to us, healed the sick, and tried to make the world a better place for us. God is like my dad and mom. He is always there for me and watches my every step. God is Awesome!!
Meghan W—AL

PTREA has changed my life because without it, I wouldn't feel so close to God. I wouldn't know much about all the miracles God and Jesus did.
Elizabeth K — SE

I love PTREA because I can learn about God. I also like PTREA because we read a lot from the Bible. PTREA is the best place I have ever been. I will miss going to PTREA, but I can still go to church on my own and follow the path to good, not evil.
April W — DM

I love PTREA because it helps me learn many new things about Jesus and about God. In PTREA, I learned that Jesus was tempted by the devil and Jesus refused him. Now I know I can refuse temptation. I learned that Jesus fed thousands of people with only five loaves. In PTREA, I found that Jesus will always answer your calls, but He might say "Yes, No, or Wait." You can also learn all these amazing facts about Jesus and God, so come to PTREA.
Anthony T — GV

PTREA has changed my life because now when I have a giant I know I can face it and conquer it. I now know that every possible thing in your life has a reason to why it is done. Also, I learned the 10 Commandments and have tried to base my life around that.
Mackenzie B — GV

I learned in PTREA that the Bible is very fascinating and it teaches you about life skills. It has my name in it. I think you will have the best time of your life.
Ezra H — HE

I like PTREA because you get to learn about God. Also you get to talk to Him a lot. You get to read about him in the Bible and to read how the world was created by God.
Jazmyn P — AL

PTREA helped me learn more about Jesus. I didn't know that Jesus wanted to be baptized by John. Jesus performed so many miracles! PTREA is also kind of like church. Whenever you are worried call Jesus. Thank you!
Makenzie L —HE

PTREA helped me clarify my belief and faith in Jesus. It has been an essential part of my Christianity.

Dear God,

If I could ask you one question:
"How come you still love us when we sin?" No one can be perfect like you. Your love changed my life forever!
Thanks!
Leah V — DM

If I could ask God "one" question, it would be "Can you be in my heart?"

Taylor A-B — CY

I love PTREA because we can learn about God and Jesus. Many people just come to PTREA because of the candy, but I come to PTREA because I love the Lord and I want to learn more about Him. I really think going to PTREA is fun. We can also learn some songs that we can sing in church. Going to PTREA is the most fun thing about going to school. Going to PTREA is like going to church because we learn about God.

Dear Parents,
As you can see from what students have written in the "Pathfinder", PTREA continues to sow and nurture seeds of faith, hope and love in the students of Perry Township. It is our privilege to share the love and knowledge of Jesus with them. We hope this will make a profound difference in their lives.

PTREA is **FREE** for all students. Although it costs approximately \$50 per student to provide this program, the costs are covered by the caring donations of parents, churches, and civic organizations of our community.

If your child has benefited from this program and you would like to have a part in helping PTREA to continue, please enclose your contribution in an envelope and return it to your child's teacher or stamp and return by mail to PTREA. **Your donation will be greatly appreciated and ANY amount is helpful to keep our program going.**

If you would like someone from PTREA to speak at your church or another organization, please contact Jim Leach at 784-3346.
