_____

Pupil Dilation: Dilating drops enlarge the size of the pupil (central fixed area of the eye) allowing the doctor to complete a more thorough examination of your retina (back of the eye). We recommend that all of our patients receive this procedure, which is of no additional cost to you. The side effects of dilation usually last 4-6 hours, these side effects can include: Blurred vision especially for reading and working on the computer, as well as sensitivity to bright lights.
I consent to Dilation _____ I do not want Dilation at this time _____ I would like to discuss with the Doctor _____

Authorization and Consent

I certify that I have read and understand the Patient Form (dated _____) to the best of my knowledge. Any questions I had have been accurately answered. I understand that providing incorrect information can be dangerous to my health. I authorize the doctor to release any information including the diagnosis and the records of any treatment of examination rendered to my child, or myself during the period of such eye care to third party payers and/or health practitioners. I further authorize any holder of any medical information about me to release any medical benefits provider information necessary to determine my eligibility and/or benefits.

I authorize and request my insurance company to pay directly to the eye doctor or ophthalmic group insurance benefits otherwise payable to me. I understand that my eyecare insurance carrier may pay less than the actual bill for services; therefore, I agree to be responsible for payment of the balance of all services rendered on my behalf or that of my dependants. Upon future visits to this practice, I will review the Patient Form and make all necessary changes and sigh and date a new Authorization. I have the right to revoke this authorization at any time by providing the practice with a signed written request. Until such as request is received, the Authorization will be in effect for six (6) years from the date of the most recent signed Authorization.

I have the right to expect my personal health information to be protected as outlined in the Notice of Private Practices below. The terms of the notice may change. If I desire, a copy of the new Notice will be provided to me by requesting one in writing from this practice. I can request to have my consent to use my Protected Health Information revoked at any time with a signed written request to this practice.

Notice of Privacy Practices

This notice describes how medical information about you may be used and disclosed and how you can obtain access to this information. Please review it carefully.

Your point of contact about your rights to access your Health Records or complaints and comments about your health record privacy is:

HIPAA Director
8185 SH 242
Conroe, TX 77385

You may file a complaint with the director of HHS. We will use your Protected Health Information to provide appointment reminders, describe or recommend treatment alternatives and provide information about health related benefits and services that may be of interest to you. We will maintain the privacy of your health records, provide this Notice to you, abide by the terms of this Notice and reserve the right to revise the privacy practices of this office.

You have the right to review or to copy your health records, request changes to or offer amendments to your records, obtain a accounting of to whom we have disclosed information from your records and request restrictions on certain uses and disclosures from your health records. You also have the right to revoke our ability to disclose your health information by providing the practice with a signed written request. Until such a request is received, this Notice will be in effect for six (6) years from the date of the most recently signed Notice.
