ARTICLE 9
EVALUATIONS

9.1 The basic purpose of the evaluation process is to establish the premise of continuous improvement, to promote personal accountability, to encourage professional development, and to provide for due process. Within this context, evaluation is a cooperative and continuous process aimed at improving and maintaining quality educational programs, while serving as an essential component in the professional development of certificated personnel.

9.2 Members of the bargaining unit shall not be required to evaluate other members of the bargaining unit.

9.3 No member of the unit shall be held accountable for any aspect of the educational program over which the bargaining unit member has no authority to correct deficiencies.

9.4 Standards and Key Elements

9.4.1 Bargaining unit members being evaluated are to be notified in writing within the first two weeks of their evaluation year. Notification may be given through either written memo or e-mail.

9.4.2 For each year in which the bargaining unit member is to be evaluated, and not later than the end of the 4th school week, each administrator will meet individually with the bargaining unit members being evaluated that year to choose standards and key elements for the bargaining unit member’s evaluation for the school year.
9.4.3 The administrator and bargaining unit member shall select three (3) standards upon which the evaluation will be based. The standards shall be selected as follows:

9.4.3.1 One standard selected by the bargaining unit member

9.4.3.2 One standard selected by the evaluator

9.4.3.3 One standard selected jointly by the bargaining unit member and the evaluator.

9.4.4 A total of three (3) key elements from each standard shall be the focus of the evaluation.

9.4.4.1 Two (2) key elements from each standard shall be selected by the bargaining unit member being evaluated.

9.4.4.2 One (1) key element from each standard shall be selected by the evaluator.

9.4.5 During the Standards and Key Elements conference, the bargaining unit member being evaluated shall discuss with the administrator specific teaching strategies and evidence that will be used to measure success within the key elements selected.

9.4.6 Within ten (10) working days following the Standards and Key Elements conference, the administrator shall provide a written summary of the conference to the bargaining unit member being evaluated for the bargaining unit member’s signature. The summary will consist of, but is not limited to the specific teaching strategies discussed and the evidence that will be used to measure success within the key elements.

9.4.7 In the event that either the bargaining unit member or the administrator determines that the chosen standards are inappropriate because of unforeseen
circumstances, the administrator and the bargaining unit member will meet and
review these standards and may alter these standards when it is felt that
alterations are appropriate and in the best interest of a good educational
program. The administrator shall provide notice of a change in standards and
key elements to the bargaining unit member thirty (30) working days prior to
completing formal observation on the modified areas.

9.4.8 When agreement on standards cannot be attained, a third party shall be
designated to resolve the issue. The bargaining unit member shall select a
District administrator to serve as the third party; said administrator shall not be
related by blood or marriage to the bargaining unit member. The decision of
the third party will be final.

9.4.9 No formal observation shall take place prior to the determination of the
bargaining unit member’s standards or completion of the process identified in
9.4.3 above.

9.5 Observation and Evaluation

9.5.1 The basic purpose of the evaluation document is to:

9.5.1.1 Identify successful completion of chosen standards.

9.5.1.2 Provide meaningful feedback to bargaining unit members so that standards
evaluated as “needs improvement” or “unsatisfactory” can be remedied
within a reasonable time frame.

9.5.1.3 Provide documentation of support for such remediation.

9.5.2 Formal observations shall last for not less than thirty (30) minutes and shall be
followed by a conference in which the administrator and the bargaining unit
member review the observation and what is to be incorporated into the written
observation summary.

9.5.2.1 Such conference shall be held within ten (10) working days after the
observation, and a printed summary shall be provided to the bargaining
unit member within ten (10) working days of the observation conference.

9.5.2.2 At least the first observation shall be announced.

9.8 Within ten (10) working days after the evaluation conference, a final printed copy of the evaluation shall be provided to the bargaining unit member (Appendix E).

9.9 Evaluation Document

9.9.1 The evaluation shall focus on the bargaining unit member’s progress toward meeting the standards and key elements selected in Sections 9.4.3 and 9.4.4.

9.9.2 In order for a standard to be denominated “needs improvement,” two (2) of the three (3) key elements, as chosen pursuant to Section 9.4.4 must be assessed as “needs improvement” or “unsatisfactory.” In order for a standard to be
denominated as “unsatisfactory,” the two (2) key elements of that standard, as

any area of formal evaluation.
9.9.7.1 The response must be filed within ten (10) days of the written evaluation and shall become a permanent attachment to the copy of the evaluation in the bargaining unit member’s file.

9.9.7.2 After receiving a copy of the bargaining unit member’s response, the evaluator may elect to modify or correct the evaluation document before it is placed in the bargaining unit member’s personnel file. The bargaining unit member shall be given a copy of any modification or correction made by the evaluator.

9.10 Remediation
