

PERCENTAGE DAY FUNDRAISING EVENTS AT...

THE FIX

ARIZONA'S MAC N CHIZ HEADQUARTERS

General: At **THE FIX** we enjoy hosting % day fundraising events where we provide 15% of the proceeds to your charity, club, organization, etc..from that particular event. We will provide a flyer/hand out design with your logo to help promote – just contact Mike Lanz at thefixaz@yahoo.com or call **520-305-4493** to schedule your next event!

Guidelines

- You will collect 15% of the total receipts your organization brings in (less tax/excludes alcohol)
- You will receive payment within 7 days of the event – checks are to be picked up at **THE FIX** between 2-5p M-F. Plz contact us to coordinate pick up
- A minimum threshold of \$100 gross sales needs to be met in order to receive a payment
- We prefer events to be held Sunday - Wednesday
- The people you draw in need to bring in a copy/show a digital version of your flyer or mention the organization's name when ordering
- Promoting or posting the flyer in front or inside **THE FIX** is strictly prohibited
- Plz encourage your contacts to visit throughout the day and plz DO NOT send them all at one time – it's very challenging to provide quality customer service and quality food when a line of hungry patrons forms outside the door for any length of time

Promotion

- Use all forms of Social Media – Facebook, Twitter, etc...
- Use email, websites, and any organizational announcements
- Don't rely solely on digital media – face to face/word of mouth will have a greater impact
- Tell your organization what the money is going towards as an incentive for them to come in
