

Here's a Little Groundhog

Here's a little groundhog furry and brown
He's coming up to look around.
If he sees his shadow, down he'll go
Then six more weeks of winter, OH NO!

HAPPY VALENTINES DAY

The month will be filled with celebrations and Valentine's Day will be right in the middle. Valentine's Day is a great time to read some of the little sayings on the cards to your children. The rhyming words may sound corny; but they are just one of the many ways celebrated and how the teacher would like the cards done. Please remember that doing a couple of cards each day will keep this a fun activity. Along with exchanging valentine cards, some of the children will be working on their full names, addresses and phone numbers. **Often parents will ask to bring in a special snack for this celebration, we ask that you check with the teacher as someone might have already made arrangements to do so.**

February is a fun filled month with a lot of holidays to talk about. We will be watching to see if the ground hog will see his shadow. The patriotic month will bring out the red, white and blue paint as we celebrate President's Day. Some of our classes will be talking about the traditions of Chinese New Year. The zodiac animal celebrated this year is the "Pig".

All classes will be discussing dental health month. Great emphasis will be put on how and when we brush our teeth. We will talk about foods that are healthy snacks and those that are not so healthy. Maybe some of our friends will share their experiences going to the dentist. A dental hygienist, from a local dentist, will be visiting some of our classes.

Please check with your child's teacher to see how they will be handling the evaluation of your child.

Our first bus trip was very exciting. It was the first time on a school bus for many children. They even got to eat snack on the bus! As always, Paper Moon Theatre, performs an age appropriate show. This year the show was Cinderella, in case you haven't already heard about it. Everyone seemed to enjoy it.

The 2 ½ year old programs had a yoga class. They got to enjoy music and exercising.

★ We still have spots available in the 2 day, 3 day and enrichment programs, for the fall. Word of mouth is our main source of advertising, so thank you for all your continued help. Anyone interested in any of these classes should call the school office.
