

Corporate Kit

The kits are composed of a corporate seal, blank stock certificates and a three-ring binder that acts as a minute book.

All Corporations are required to maintain a "corporate minute book" that holds the formation paperwork, licenses, certificates, resolutions and meeting minutes. It is one of the first things requested when your company is audited or being sold.

M&A offers a Standard Corporate Kit

Everything you need to get started with your corporation - Includes

- A sturdy, handsomely designed 3-ring gold-stamped binder with the corporate name on the spine and matching black slipcase
- 1 5/8" pocket seal embosser
- 20 custom printed numbered certificates
- Pre-printed minutes and bylaws on plain paper
- Stock transfer ledger
