

Dear Hernando County Citizens,

Due to COVID 19 numbers increasing, there is a great need in our county for medical supplies as follows:

- N95 masks
- Medical Surgical Masks
- Medical Isolation Gowns
- Hand Sanitizer, at least 60% alcohol
- Medical exam gloves

Anyone who may have access to obtain these items in bulk, either doctor's offices that are shut down temporarily, suppliers, restaurants, etc. should reach out to Rich Russell, Logistics Manager. If you can help by ordering even one item on line and having them direct shipped, please send them to:

Direct Shipments:
