

Southwest Arkansas District Livestock Show

Show Day Reminders

DO NOT ENTER FACILITY IF:

-You have a fever, shortness of breath, sore throat or loss of taste or smell.

-You have had exposure to someone with Covid-19 in the past 14 days.

The waiver below **MUST** be filled out completely and turned in upon entering the back gate. This includes show visitors. Having a completed form will expedite traffic flow.

Masks for anyone over the age of ten are required in all barns and entering and exiting the arena.

Exhibitors will wear masks in the show ring.

Seating must be arranged to maintain a 6-foot distance between audience members. Family groups may sit together.

Hand sanitizer stations will be available.

No Parking areas will be roped off and enforced. There is plenty of parking outside the back gate. Please do not park in front of the Animal Control building or block their drive. There is no gate charge this year.

This year we are asking for extra patience from you. This is a major change for us also. Be prepared for longer wait times and a few unanswered questions, BUT we will figure it out and get everyone where they need to be. We will not be debating "to wear a mask" or "not to wear a mask" with anyone. Please follow our guidelines and all will be well. Remember if we get fined for not following the guidelines that is less premium monies!! WE are proud to be able to do this for your children because we know how hard they work. Thanks in advance for your cooperation!
