St. Elizaebth-Ann Seton Preschool 2019-2020

## parent chats

"Did you know that kids who grow up with parents that read a lot in front of and with them often develop that same fondness of reading? Reading well is vital to academic success. That's much easier to do if you enjoy it. Read dynamic, interesting chapter books with your kids. The complex text is engaging and helps build their vocabulary and their interest. The stories spark imagination. Factual books are fantastic too! Kids LOVE learning about new topics and talking about what they've learned. Be sure your child reads to you. Encourage them to build fluency and intonation. Go to the public library! They have amazing programs for kids and a fantastic book selection!

## to do

- \*Valentine's for the class
- \*Scholastic orders due Feb. 14th
- \*Practice writing your name!

| MONDAY                         | TUESDAY                                    | WEDNESDAY               | THURSDAY                                   | FRIDAY | SAT<br>SUN |
|--------------------------------|--|-------------------------|--|--------|------------|
