

# **Total Clean\***

## **CONCENTRATED FLEET WASH**

**Total Clean** is a concentrated liquid vehicle cleaner and degreaser. It is specifically designed for use through a high pressure washer, but is also excellent for hand washing operations. **Total Clean** will not affect most paint on vehicles, even when used continuously through a high pressure washer.

### **APPLICATIONS**

**For use in:** cars, buses, trucks, portable toilets

**For hand washing:** use 1 ounce per gallon of water

**For high-pressure washers:** set dilution rate at 100 to 1

### **BENEFITS**

- Superior performance
- Abundance of suds
- Completely soluble, even in cold water
- Works in hard water
- Rinses freely, leaves no film
- Needs no wiping or chamoising

### **PACKAGING**

- 7 gallon pail
- 55 gallon drum

\*This product is also available with carnauba wax, called **Total Clean Plus**.
