RICHMOND COUNCIL, NAVY LEAGUE OF THE UNITED STATES

COME AND JOIN US FOR A DOCENT-GUIDED TOUR OF THE MARINERS' MUSEUM IN NEWPORT NEWS THURSDAY FEBRUARY 28, 2019 (note: new date)

Adventures are as fathomless as the oceans at the Mariners' Museum. This is one of the premier Maritime Museums in the Nation.

Explore the maritime connections with the world and see such exhibits as the Turret from the *USS MONITOR*, which was retrieved from the ocean bottom off Cape Hatteras.

Everything in their 13 spacious galleries has a story of its own from a treasure chest of figureheads, ship models and navigational instruments of the world-renowned August Crabtree Collection of Miniature Ships afloat on waves of silence.

The marine paintings by American, Flemish, French and Chinese artists span centuries of history and ancient, as well as, modern-day mariners. They come alive through dynamic murals, scrimshaw and hundreds of historical photographs.

Expand your horizons even more, set

your sights on the award-winning film, *Mariner*, highlighting maritime activity all over the world.

Throughout the Museum, the hands-on exhibits and costumed historical interpreters, including an 18th-century sea captain, bring new life to the lore of the high seas.

From the most primitive dugout canoe, to the 990 ft. SS *United States*, from the ironclads *Monitor* and *Virginia* to the *Titanic*.

The 77,000 square feet of exhibit space will take you on sea adventures around the world - - without even leaving land.
