To All Meadowland Unit Owners:

CHANGE IS HERE!

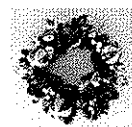

The New Board of Managers would like to present meadowlandestates.net. We decided the best way to keep you informed was to provide you with an interactive website. Our website has a **Home** page that will provide you with information and tidbits on what's going on in our complex. We have a **Reach Us** page where you can contact Dawning for your non-emergency needs as well as an emergency line available to you 24/7. The Board also created an email address so we are kept in the loop on all situations. We would request that on all non-emergency situations you email Dawning as you would normally do, but also add us to that email. We have a **Forms** page where we will supply documentation, fast & easy to download & print anytime, for your convenience.

Our vision is for Meadowland Estates to go green! If you're not computer savvy and/or haven't joined the 21st century yet, you can opt out of the email notifications and we will gladly continue to send you notifications via mail. Included with this letter is our **Meadowland Estates Information Form** (me-01). We would request it be neatly & completely filled out and returned to Dawning as soon as possible.

Last but not least the past weeks unfolded, and the transition was seamless. There is an excitement for progress! We realize that we have a long road ahead of us and prudence is important. We hope that you will be a part of this journey and do your part as homeowners. Most importantly please remember that the needs of the many outweigh the needs of the few!

HAPPY HOLIDAYS!!
