Online Helpful Resources

Need help with zoom or getting school resources? We can help! You can access FREE online resources on our website. Under the library resources tab there is a drop down box showing "Back to School 2020." Click on that and be transported to the land of free, helpful resources!

Don't see any resources for what you are looking for? No worries! Contact us, or visit, and we will help you get what you are looking for.

Sign-Up To Use Our Back Room!

You can sign-up to use the community room for your studies! Any time of the day, not just when we are open. Visit our website or ask your librarians for more information.

We even have WiFi! You can bring in your own computer, or borrow our laptop.

Education and Craft Kits

You will be able to take home a bi-weekly education and craft kit to help your child with studies. Stay up to date when these are released on Facebook and Instagram!
