Catholic Church Guidelines for COVID-19 Vaccines - - -

Over the last several months, many questions have come up in regards to the ethics of the COVID-19 vaccines, specifically those which use cell lines derived from aborted fetal tissue in their manufacture and/or testing. I have included an insert in the bulletin this weekend entitled "Catholic Church Guidance on COVID-19 Vaccines." Obviously, the issue of vaccines using cell lines derived from aborted fetal tissue in their manufacture and/or testing raise some very important ethical questions, which are addressed in the guidelines. Prior to the production of these guidelines, I sought out Church documents, various articles, and have consulted trusted faithful Catholic physicians and ethicists, as well using the moral theology background I have from my seminary studies. I am also grateful to a brother priest in another diocese who formulated some guidelines that was produced in his parishes' bulletins. If you have any questions in regards to the guidelines I have included in the bulletin this weekend, please do not hesitate to contact me at the parish office (573-262-3210 or email fatherkelly15@gmail.com)

Lent is coming! February 17 is Ash Wednesday.
 Mass times are 8am and 7:30pm. For other announcements at this time, you can refer to the February calendar.

Gospel Meditation Cycles of Faith - - If I only knew then what I know now, how different life would be. We need to allow God into our pain and heal our past. We have to wrestle with our histories, agonize and search and cry out for the Divine healing we need to restore our faith, hope, and love. Job could not see how his story would end or trust the guidance of the God who called him. We live in that same blindness and suffer from the same lack of confidence. Once we allow ourselves to be touched by God's healing power, we begin to see that all of the pieces of our lives are necessary parts of a greater whole. Along the way of our lives, God uses our omissions and failures to create new things and possibilities. . When doors close, others open and we can be amazed by the joyful and unexpected surprises we receive. Once we know the power of God's creative, healing, life-giving, forgiving, and dynamic presence, it is no wonder we want to put ourselves at the service of others and show them what life can be.

Father Kelly will be gone on vacation this week from February 7 - 12 .
 Fr. Mark Binder
 and
 Fr. Brian Straus will celebrate the Masses.
