

Hye-kyo Song and Dong-won Gang the "Flash Mob"

HYE-KYO SONG AND DONG-WON GANG THE "FLASH MOB"

(Hong Kong October 26) At the premiere of the movie "My Brilliant Life", the leading Korean actors Hye-kyo Song and Dong-won Gang appeared in the company of the producer Eugene Lee for about ten minutes. However, the one hundred plus fans were not disappointed when they were greeted by Hye-kyo in Korean and encouraged to support this film. Dong-won greeted everybody in Cantonese and then said in Korean that he was happy to meet so many fans. They play a 17-year-old couple with a child born with the Hutchinson-Gilford Progeria syndrome, but the story is about a warm and happy family and the growth of these young parents.
