

SASHA

Sacramento Area Speech and Hearing Association

Dear Colleagues,

The SASHA board would like to thank you for your continued support over the last year and for helping make our first ever virtual conference such a success. We will continue to do our best to pivot with current conditions and provide informative continuing education events for professionals in the field of speech language pathology, whether that be in person events or webinars.

Over this past year, SASHA has made a few exciting changes, including the ability to submit registration forms online and offering Venmo as a payment option. We will continue to accept mail-in registration forms, as well as checks and cash as forms of payment. SASHA will also continue to use our website and newsletter to keep you up to date with information about upcoming workshops and any other important SASHA information. Handouts for upcoming workshops will be available on the website prior to the event. Our membership will also remain FREE! Just fill out the form on the website under the 'Membership' tab.

SASHA will be sponsoring the following conferences:

April 16, 2021: J. Scott Yarus, PhD, CCC-SLP, BCS-F, F-ASHA, **School-Age Stuttering: A Practical Approach**, Virtual Live Event, via Zoom.
