### A WARM WELCOME FOR ALL

Welcome to the Willette church of Christ, where you will find the Bible as our only rule for faith and practice. We seek to speak where the Bible speaks and to be silent where the Bible is silent. We want to call Bible things by Bible names and do Bible things in Bible ways.

*Tidings from Timothy*

We need to understand that the way of spreading the Gospel does not change. What worked in days past will work now. What brings people to Christ, and the obedience they must give to Him, has not changed. I hope to share this morning pointers on evangelism learned from years of failures and successes.

I appreciate the feedback on the Bible Story lessons for Sunday night. I do not know how long we will be doing these, but I hope to continue doing the best I can to present these lessons in such a way that your children will be impressed with their truths, and that adults will be reminded of our exciting history. These people gave us examples which will live for all eternity. Check out the church webpage on the “Sermons for Today” tab for supplementary materials to go with the lesson.

We are a Bible centered, mission minded, and family oriented church. Thank you for coming, and please return at every opportunity.

The Hatton Half: Defending the Existence of God

One defense is giving scriptural support for the existence of God. The first piece of evidence proposed is found at Romans 1. The context of these statements is justification. Paul begins by describing the vile actions of the patriarchs under the patriarchal system. Paul states that the invisible things from God in the creation of the world are manifested very clearly (Rom. 1:20). The patriarchs were without excuse because God revealed Himself to them in this manner. The patriarchs were also guilty both of changing God’s truth into a lie and worshipping the creation more than the Creator Himself (Rom. 1:25). God told Moses and all with him that He was a jealous God (Exo. 20:5). God should be the object of our worship, not the things He created.

Another passage for our consideration comes from David. He states on no uncertain terms that “the heavens declare the glory of God; and the firmament sheweth his handiwork” (Psa. 19:1). If one even desires to observe the complexity within the galaxy in which we reside, one can infer that it did not happen by chance. There could be no explosion to bring this into existence, for explosions only produce disorder as a result. There are intricacies in our galaxy which cannot be ignored, such as formations of stars that have been named time and time again, such as the big and Little Dipper and others like them. The proof for God’s existence is all over the place if one honestly searches for the evidence.

**Those attending:** I think all the members by this time know the drill. If you are coming back for the first time, or visiting with us, then note that there are TWO morning services and that an evening Bible Study and Wednesday night Bible Study are live-streamed on our YouTube channel. You are welcome at our worship services, just keep in mind the precautions that have been put in place.

Also note that if you have symptoms of the virus you need to please leave to get that checked out. Everyone is welcome at church, but the wisdom of testing for pathogens when symptoms show and quarantine until the results are known is clearly taught in Leviticus 13-17. (Tim)

**Graduation photos:** We could use some more variety in the photos for **our PowerPoint presentation** next week, so send in some more of those photos if you can for each graduate and perhaps a statement from their parents/guardians.

**Barnabas Boxes:** As we get back, don’t forget to check your mail boxes for cards, class materials for some of your children, and other goodies.

**Benevolent Building:** Everything went great with the outside event on Saturday. Lots of stuff was given away and we should have some more room now to receive donations.

**Construction update:** Finally! The floor stuff has come in and we are seeing progress on making things look much more “finished” along that line. However, the actual finish will not be for a while since we still need the appliances and cabinetry put in place and so forth.

**Clean up:** You all did great with the clean-up between services last week. It’s just like I turned around and it was DONE.

**Tonight:** The Bible story will be “Jesus and the moneychangers.” There will be some real action in this one! Tune in at 6pm on the youtube channel.

**Thanks:** The McHenry family wishes to thank you all so much for all who came to Hannah’s baby shower yesterday. We were encouraged by the large no. and the help, friendship and gifts!

A TRIBUTE TO “SOMEONE ELSE”

---

We were saddened to learn this week of the death of one of our most valued volunteers-- **Someone Else**. **Someone’s** passing created a void that will be difficult to fill. **Else** had been with us for many years and for every one of the years, **Someone** did far more than a normal person’s share of the work. Whenever leadership was mentioned, this wonderful person was looked up for inspiration as well as results... “**Someone Else** can work with that group.”

Whenever there was a job to do, a class to teach, a meeting to attend or time spent with person in need of companion-ship, one name was always on every list...”Let **Someone Else** do it.”

It was common knowledge that **Someone Else** was generous toward the church. Whenever there was a financial need, everyone just assumed **Someone Else** would make up the difference.

Were the truth known, everybody expected too much of **Someone Else**. Now **Someone Else** is gone! We wonder what we are going to do. **Someone Else** left a model example to follow, but who is going to do the things **Someone Else** did?
