Price of the Goods as in effect at time of delivery shall apply unless otherwise stated on an effective outstanding price quotation issued by the Seller to the Buyer. Unless otherwise stated on the face hereof, all prices are Ex Works the carrier from the point of shipment with cost and freight allowed to the point of delivery to the carrier. The method and agency of transportation and the routing will be designated by the Seller. In the event the Buyer requests alternative shipment or routing, extra packing, shipping and transportation charges thereby resulting will be added to the Buyer's account.

3.2 Terms of Payment:

Unless otherwise stated on the face hereof, all payments shall be (a) C.O.D. (b) paid in U.S. Dollars. If the shipment of Goods is delayed for any cause, payment shall become due from the date on which the Seller is prepared to make a shipment of the Goods, and storage thereof shall be at Buyer's risk and expense. If, in the sole judgment of the Seller, the financial condition of the Buyer at any time does not justify the continuance of shipment of the Goods on the terms of payment specified herein, the Seller may require full or partial payment in advance of the delivery of the Goods. If such circumstances occur, the Seller may unilaterally elect to cancel this Contract and all other contracts then existing between the Buyer and the Seller, and the Seller shall have the right to cause all amounts owed to the Seller from the Buyer to become immediately due and payable unless the Buyer shall promptly supply the Seller with adequate collateral security for such amounts due which security is reasonably satisfactory to the Seller.

4. DELIVERY

4.1 Force Majeure:

The Seller shall not be responsible for any delay (whether material or not) in, or failure of, the shipment or delivery of Goods due to any occurrence commonly known as Force Majeure, including, without limitation, delays arising out of acts of God, acts of government, agency or instrumentality thereof (whether fact or law), acts of a public enemy, riots, embargoes, strikes or other concerted acts of workmen (whether of the Seller or other persons), casualties or accidents, deliveries of materials, transportation or shortage of cars, trucks, fuel power, labor or materials, or any other causes, circumstances or contingencies within or without the United States of America, which are beyond the Seller's control or otherwise prevent or hinder the delivery of the Goods (without regard to the availability of the Goods otherwise in the market) or the performance by the Seller of any of its obligations hereunder. If any of the events occur, the delivery of the Goods or the performance by the Seller of its obligations, as the case may be, may at the Seller's option, upon written notice to the Buyer of the occurrence of such event, be either canceled or deferred without liability of the Seller until such time as it shall elect to deliver the Goods and perform such obligations.

4.2 Delays:

Where a specific shipping date is not designated on the face hereof or in a subsequent writing signed by the Seller, the Seller shall not be responsible for any delay in filling those orders, nor shall he be liable for any loss or damages resulting from such delays.

All quotations for the sale of Goods shall be exclusive of any such taxes, imposts or duties.

6. RISK OF LOSS AND PASSAGE OF TITLE

6.1 Risk of Loss:

Risk of loss of Goods shall pass to the Buyer upon delivery by the Seller of the Goods to the carrier at the point of shipment, irrespective of whether the Seller or the Buyer is obligated to pay the cost of shipment. All costs, if any, for insurance on the Goods shall be at the expense of the Buyer. If the Seller has agreed to pay the costs of shipment of the Goods, any increase in freight charges between the point of shipment to the point of destination effective after the date of shipment in excess of the freight charges in effect on the date of delivery by the Seller to the freight carrier shall be for the account of the Buyer, whether such charges are paid or payable by the Seller or otherwise. The Buyer agrees to submit all complaints with respect to shipping damage to the Goods directly to the carrier within any time periods specified for such purpose.

6.2 Passage of Title:

Notwithstanding delivery and the passing of risk in the goods, or any other provision of these Conditions, the title of the Goods shall not pass to the Buyer until the Seller has received in cash or cleared funds payment in full of the price of the Goods and all other Goods agreed to be sold by the Seller to the Buyer for which payment is then due. Until such time as the title in the Goods passes to the Buyer, the Seller shall be entitled at any time to require the Buyer to return the Goods to the Seller and, if the Buyer fails to do so forthwith, to enter upon any premises of the Buyer or any third party where the Goods are stored and repossess the Goods.

7. WARRANTIES

THE SELLER MAY CURE ANY DEFECT AS TO THE CONFORMITY OF THE GOODS BY REPLACEMENT THEREOF WITH CONFORMING GOODS.

8. REMEDIES

In addition to all rights Seller may have with respect to the sale of Goods, the Seller shall have the right at any time for credit reasons, because of Buyer's default under, or in repudiation of, this Contract or any other Contract between the Seller and the Buyer, to withhold shipment of the Goods, in whole or in part, and to recall Goods in transit, retake the same and repossess all Goods which may be stored with the Seller for the Buyer's account, without the necessity of taking any other action. The Buyer agrees that all Goods so recalled, retaken, or repossessed shall become the absolute property of the Seller; provided that the Buyer is given full credit therefore and that the Seller may offset against any indebtedness owed by it to the Buyer any other amounts then owed by the Seller to the Buyer. The foregoing shall not be construed as limiting in any manner any of the rights or remedies of the Seller arising under the Connecticut Uniform Commercial Code or any other applicable law as in effect on the date hereof, which are available to the Seller upon any default by the Buyer of any of the terms or conditions of this Contract.

9. CONSEQUENTIAL DAMAGES

IN NO EVENT SHALL SELLER BE LIABLE TO THE BUYER FOR LOSS OF PROFITS, LOSS OF USE, OR DAMAGE OF ANY KIND BASED UPON A CLAIM FOR BREACH OF WARRANTY OR FOR BREACH OF CONTRACT, INCLUDING WITHOUT LIMITATION, CONSEQUENTIAL DAMAGES OR INCIDENTAL DAMAGES, EVEN IF SUCH LOSS OR DAMAGE IS CAUSED BY SELLER'S NEGLIGENCE OR OTHER FAULT.

10. CANCELLATION

Acceptance of an order by Seller shall be an irrevocable sale and is non-cancelable by Buyer. Any cancellation must be accepted by Seller in writing, and Seller shall have the right to retain all amounts paid to it by Buyer as a nonrefundable deposit against payment of the purchase price therefor without further liability of Seller to Buyer. Buyer will be responsible for all fees and expenses (including reasonable attorneys' fees and expenses) incurred by Seller as a result of the cancellation of any order.

14. ASSIGNABILITY

The terms and conditions of this Contract shall be binding upon and inure to the benefit of the successors and assigns of Seller and Buyer, and may be assigned to any successor organization or affiliate of the Seller without written consent of the Buyer, but shall not be assignable by the Buyer without prior written consent of the Seller.

15. WAIVER

The failure or delay of the Seller to exercise any of its rights hereunder shall not be construed to be a waiver of any such rights. No waiver by the Seller of any breach of this Contract shall be effective as against the Seller unless the Seller shall have waived such breach in writing, and no waiver by the Seller of one breach hereunder shall be deemed to be a waiver by the Seller of any other breach not so waived.
