November 13, 2019

At the Springfield Justice Center, 2nd Floor

230 4th Street, Springfield

2:30 p.m. to 4:00 p.m.

Presenting Agencies:

Northwest Weather Service (NWS), Lane county COAD (Community Organizations Active in Disasters) member Central Aid Agency, Lane County Emergency Manager, EWEB

Each year we gather to hear from the local reps of the National Weather Service about their outlook for the winter. This year we also have a panel presentation from some of the agencies that responded to the late February 2019 snow storm. We have asked them to share their thoughts on this question: How was your organization affected and what are you doing differently for the coming year?

Presentations followed by Q&A time.
