## **Beyond Puppy Class**

**Wednesday 11/28/18 from 1 pm - 2 pm**

**Prerequisite must be from 7 months to 2 years of age**

A basic obedience class we will cover sit, stays with distractions, practical behaviors and door manners. This class is the starting of the CGC testing requirements. Manners are important, but a beginner dog obedience class can help your pup learn about interacting with other dogs and people in addition to the many lessons on good behavior. Additionally, your dog is not the only one who will benefit from class; one of the goals of an obedience class is to hone your own training know-how with the help of your trainers.
