

UPRISE FH Club & Competitive Edge Field Hockey Camps

"The Field Hockey staff has been chosen not only because of their outstanding accomplishments in the sport of field hockey, but also because of their ability to teach and relate to the younger and older field hockey players. We understand the importance of teaching proper, fundamentally sound skills while keeping the sport of field hockey fun and exciting. The staff is made up of some of the best field hockey players in the country who can teach the beginner to the most advanced player.
