

Grand of New Mexico

President Message #3

September 2020

Hello Grand of New Mexico,

I hope you, your members, and families are doing well and staying safe during this time. During this time, be sure to check on your members who are homebound. I'm sure some would enjoy someone to talk to, even if you just send them a card. I'm sure it will make their day and put a smile on their face.

Speaking of members, how is everyone's membership going? I know it is a little hard to collect dues during this time and recruit new members but it is something we need to continue to do and work on. Ways we can do that is call the members, send them a nice card, maybe put together a newsletter or a comic strip about the Auxiliary. We still need to show our members we are here and active.

The information on the Zoom Training was sent out. The Zoom link will be going out soon. Please share with your members. This is for everyone to attend. If anyone has questions about this, please let me know. There will be an option to call in for the Zoom also.

Auxiliaries, please let me know how you are having your meetings. I would like to be able to join a meeting if they are on Zoom or any other meeting platform you are using. With COVID-19, we may have to do inspections via Zoom. We will let the Auxiliaries know how that will work in the coming months.

Don't forget to turn in your monthly Hospital Reports and collecting dues. If you have any questions, feel free to reach out to me, any line officer, and chairmen. We are all here to help and make each Auxiliary successful.

Wear your mask, wash your hands, and stay safe.

Loyally,

Dominique C. Garcia

Grand President
