#### **LCAP Survey**

BETA's has posted a very important (and quick) survey on Survey Monkey. Please help us understand what teachers do and do not understand about the LCAP:

#### **Points of Contact**

BETA cannot be reliant on communicating with its members via the BCSD email system. We have zero expectations of privacy when using it. As many have seen postings can and have been deleted from members' mailboxes.

Going forward any email sent as a BETA News and Notes will also be archived on our website. I encourage members to join the BETA Facebook page or follow BETA on Twitter. I also encourage everyone to use my non-BCSD email to ensure privacy.

## District Posting of Social Security Numbers

BETA is actively trying to get more assistance for affected members. While this is not a contractual issue it has adversely impacted two-thirds of our members. Make sure you do not sign any documents noting a release of liability. More information will be forthcoming. Please check the BETA website and Facebook page for more information.

The file was mistakenly uploaded by a BCSD employee. If you received the email from the District at approximately 6:30 PM on Monday, November 13 your name WAS on the list that was uploaded to BCSD Board Docs on Thursday, November 9 from approximately 4:25 PM - 7:30 PM (just over 3 hours) Victims of the release should also be receiving additional information from BCSD about the 1 year of credit/fraud monitoring being offered.
