A discussion on HALE Membership Drive was initiated with HAOG Vice President. HAOG was requested to support HALE in its efforts for Membership Drive by involving HALE in the Farewell Meetings of superannuating Officers at HAOG Office.

HAOG was informed that this gives HALE an opportunity to interact with the superannuating officers and apprise them of HALE activities. The membership forms will be provided during the meeting itself and superannuating officers will be appraised to enrol themselves as HALE members.

HAOG appreciated the efforts of HALE and said that the proposal will be discussed with MC members of HAOG and the decision will be communicated to HALE shortly.
