

THE SPIRITUAL SIDE OF TMC (HMM ISNT IT ALL SPIRITUAL??)

Tiyamike Mulungu Center a Christ based happening. Children come to know Jesus and learn morals through the scriptures and the move of Holy Spirit along with different activities such as choirs and drama but most of all thru the Lord's presence in the walked out lives of the staff and friends of TMC. The ongoing prayer and hope is thru these and other ways the children of TMC will spread the message of the goodness of God and his true desire that all come to a relationship with him.

TO KNOW GOD AND MAKE HIM KNOWN . (Thankyou YWAM great saying !!!)

Skits full of fun .. Check out : Tiyamike.com Zeke Bindertwine for a laugh !!

What did he really look like?? Did he laugh much?? Did he listen much?? What would it be like to have him for a meal today? Was he serious in demeanor? Did he like having fun? Was there a smile always waiting to be shared...? Did tears come easily to him? How can one who has had more study and efforts to disprove his being ...who he is still not be received wholeheartedly by everyone? What can compare with his presence ?? Scripture says unless the Father touches a heart (he knows who is willing) iis it like describing color to a blind man, sadly it seems so true .. Should we try? How can we not? If we know him?

Open Sharing at our "Sunday Celebration" aka.. Church Service....
