Welcome Everyone!

President's Message

Hopefully everyone has been able to stay healthy. We've had a very interesting year, first a winter storm in January, then Covid hit causing us to cancel our spring and fall meetings. Luckily we were able to have the summer show at Brown's Farm, a very nice new location for us, hopefully we'll be able to return in the future. Then in August we had the Dereacho, which made harvest challenging for some. Hopefully 2021 will be an improvement, by moving the meeting to February 20th, 2021 the Covid numbers will allow us to meet in person once again. We have a lot to discuss and act on, what to do with merchandise (this is the last meeting Bobbie and Denny will be doing it.) Update on RPRU 2024, merchandise trailer, and director elections. Trying to get a presentation by Spencer Chamber of Commerce for meeting. For those that haven't heard the Winter Convention in Fort Wayne IN has been canceled. As trying as this year has been its been a pleasure to serve as president this past year. Till we can meet again, stay safe and healthy.

Jeff Eldred
President

2021 STATE SHOW:

August 13-15, 2021 in Albert City, IA

Out in the field, visitors can expect to see a lot of demonstrations and activities. The feature field event will be held each day at 1 p.m. It is "Decades of Farming in Motion," and will demonstrate the typical farming operations being done by at least five different generations of machinery at one time. It will start with horse-drawn equipment and move through steam power, prairie tractors and gas tractors. This will be a great way to see the changes in farming practices spanning over 100 years.

Candidates for Board

Jeff Eldred:

Hello, I am Jeff Eldred, I live in Newton with my wife Linelle of 35 years. We have one son, Rob and our granddaughter, Mackenzie. I grew up on a farm northwest of Newton using IH tractors. My dad still farms with IH tractors. I am a member of the 1st United Methodist Church have served on the Jasper County Extension Council, Jasper County 4-H Youth Committee and a past 4H club co-leader. I work for the Heartland Coop at Kellogg as a semi truck driver mainly hauling grain and fertilizer. I help my dad with the farm when possible plus my son and I do custom hay baling - small square and large round ales. I have been the Chapter President for the last year and believe we have a great club and would like to hear any ideas to help improve the Chapter. Thank you for your support.

Ray Cook:

I am Ray Cook from Seymour IA and am running for the Board of Directors of Chapter 5 for the upcoming term of International Harvester. I have been a member for 23 years, have been on the board for two terms and was treasurer for several year. I have a working knowledge of the business of the board. My wife Shirley, daughter Lynn and son-in-law Brian Holdeman are also members of Chapter 5. We enjoy a family collection of IH tractors and crawlers. I was instrumental in designing the FFA Grant Program and the 4-H Grant Program to recognize youth with a desire to work with IH equipment. I am retired from farming and can devote more of my time to the Chapter activities. I hope you consider me for a position on the board.

Paul Schaefer:

I am Paul Schaefer and have been a member since 2012. My wife, Deb, and I live on an acreage west of Protivin, IA. When we moved to an acreage I decided that I needed a tractor and over the last few years I have purchased a 1942 H, and a 1962 504 row crop and they both need work and some TLC. Since being a club member I have made acquaintance with many good people with like interests. I know we want the best for our organization and keeping it moving in a proactive way, that is appealing to all members. I would hope that you would consider me for a board seat. Along with my wife Deb, we have 5 adult children, 5 grandchildren and am retired from Cedar Falls Fire Department, serving for 29 years. I hope to have your consideration and support for being a member of the board.
