

Distance Learning for all School Age Learners K - 5

Dear Kids' Stuff Families,

Effective immediately, at Kids' Stuff, we will begin assisting with distance learning throughout the day while your child is here. They will have scheduled times to work on distance learning with taking breaks for free play, recess, lunch, snacks ...etc. See time line below.

Due to our Distance Learning Mandate, we will only use electronics for distance learning. We will connect the children to the Wi-Fi and they will only be able to use the Wi-Fi for their school work.

Tuesday March 31st...Your child needs to be sent to Kids' Stuff with:

1. A Pasco County School approved electronic device – fully charged – labeled with first & last name
2. Login information
3. Any & all information from their teacher with requirements & expectations

Unfortunately, at this time we do not have electronics to lend out to students.

Ms. Lorraine will be in the Schooler House everyday 7:30-3:30 for any questions and is also available through email for easier communication.

Ms. Erin will be in the Schooler House Tuesday, Wednesday, Thursday from 9 – 12.

We will supervise/assist as much as possible, as we are not teaching their lessons, only assisting in the best way we know how. We feel this is the best possible scenario to keep your child on a daily routine and keeping them on task.

In order for our Distance Learning Plan to be successful, your child's needs must be communicated to us! We are available by email or you may call the school. We want to help your child be successful.

Below is the schedule we will be following daily beginning March 31, 2020. This schedule will remain in effect until Distance Learning has ended for Pasco County. If for some reason, Pasco County should extend Distance Learning beyond the school year...we will re-evaluate the situation.

Daily Schedule

9:00 – 11:00 English/Language Arts (Reading & Writing)

11:00 – 11:30 Structured Recess Mon/Wed/Fri Free Recess Tu/Th

11:30 – 12:00 Lunch

12:00 – 1:00 Science/Social Studies

1:00 – 1:30 Physical Education/Team Skill Building

1:30 – 3:00 Math

The time frames above adhere to the Pasco County School Board's recommendations. We truly want to help guide your child through this process. This will be a learning curve for all of us.

Hang in there!
