Dear Parents,

We hope you had a restful and peaceful Winter Break. We look forward to our second semester, as well as preparing for the next academic school year. Registration for the 2018-2019 academic school year will announce at the end of January. By February 2018, the school will need information of your interest for continuing with our organization. We anticipate a large number of enrollment this year as the school continues to make a difference around our community. If you have any questions, please contact the school office.

Report of Student Progress cards will be mailed on Friday, January 12, 2018. If you have any questions, please feel free to contact your child's teachers.

The Chula Vista Learning Community Charter School continues to challenge students develop their sense of integrity, challenge their intellect, and further develop their authentic self – This semester, we plan to organize instructional units that will challenge inquiry, strengthen academic skills, as well as demonstrate thinking both orally and in writing. We look forward to your participation in support our students and welcome you to mark your calendar for Parent Engagement Nights during the month of January. If you have any additional questions, please feel free to contact your site secretary.
