November 13, 2014

To the Sherburn and Welcome City Councils,

The department logged 147 calls for service for the month which brings our total for the year to 1,587. In comparison, in 2013 we had logged 1,251 and in 2012 we were at 1,209 for the same reporting period. The average response time for the month was 3 minutes and 15 seconds which is still excellent and is comparable to the past months.

We have been in the process of adding new officers to replace the ones that have left for full-time positions. Officer Kyle Brown began in October and Officer Michael Dahl is currently be trained in. These officers will be used in a part-time capacity, so you will see new faces around in the coming months. We will still be adding one or two more part-time officers to get our roster back up to what it usually is. These officers will likely join the department in either December or the first part of 2015.

The department web-site is currently undergoing some redesign. If any of you have logged on, you will notice that the monthly report from September has not yet been posted because of this. I hope to have all the changes made and have the new look published by the end of the month at the latest. I invite you to keep checking in to see how the web-site looks.

The weather turned colder quickly in November, so we will soon start reminding residence to get their vehicles off the street during snow removal. Hopefully, there will be few, if any issues, this winter season.

A handwritten signature in black ink, appearing to read "Brad Hughes".

Brad Hughes
