Fall Project: Focus on the Community

Simply Smiles

**What is Roots and Shoots?** Roots and Shoots is an outreach program started by Jane Goodall ([www.janegoodall.org](http://www.janegoodall.org)) to foster respect and compassion for all living things. The belief behind the program is that every individual can make a difference. There are thousands of members worldwide ranging from preschool to college age. Each year, R & S members contribute to their world by completing three outreach projects to help the community, animals, and the environment. This first five-week session will focus on the community and we will be working with an organization call “Simply Smiles” ([www.simplysmiles.org](http://www.simplysmiles.org)).

**How do I sign up?** Please fill out form and submit it with check for \$35 (**payable in check to Burr Student Activity Account**). Drop both off in Mrs. Uliasz’s classroom or mailbox in the main office.
