### **FINANCIAL AGREEMENT**

This is to certify on this date, I agree to pay in full (or per agreed upon arrangement with Dunwoody United Basketball) all fees due to Dunwoody United Basketball (DUB) as may be incurred by the above referenced player's participation in team activities as a registered/rostered player. I also understand and agree that the entire registration fee is due on the first practice date OR a date assigned by the program director (unless other arrangements have been made). Players who have not paid their fees by the assigned date will have all equipment/uniform distribution withheld. Players will also be held out from practice and risk not being able to play with the team or being dismissed from the team until all payments are made current. I understand and agree that all travel costs, entry fees to games, and potential fees will be paid by each individual separately and in addition to registration.

### **THERE ARE NO REFUNDS ONCE PAYMENT HAS BEEN RENDERED**

The only exceptions to this policy are as follows: (1) if the team competes in less than 2 tournaments but more than zero, DUB will issue a 50% refund within 60 business days; and (2) if the team fails to compete in ANY tournaments, DUB will issue a 90-100% refund within 60 days, calculation based upon practice time and gym usage up to that time frame. No refund is available if before the exceptions granted in items #1 and #2, a player is dismissed from the team by his coach or has quit. Parents are reminded of their investment of time, money and support is based upon season long personal coaching, practice schedule, and opportunity to participate, *not playing time*. The payment allows the team to provide uniforms and other equipment, enter tournaments and secure gym usage for the duration of the season.

By signature I agree to the terms above:
