

Loyalist Skating Club
2018-2019 Fundraising/Volunteer Agreement
STARSKATE

Loyalist Skating club is a 100% volunteer run, non-profit youth sports organization. ALL of our costs of operating are covered almost exclusively by program fees charged to skating families. We do not receive ANY funding from Skate Canada or any other sports organization, and opportunities to apply for grants are few and far between.

In order to keep the prices for our programs within an affordable range for our families, we rely heavily on income from fundraising activities. Without this extra income, our organization would have to raise fees significantly, which would affect how many families could take advantage of our programs. We want to be able to serve as many families as we can while keeping our fees as affordable as possible.

This year, LSC will be hosting a STAR 1-4 Figure Skating Competition, which will draw skaters from across Eastern Ontario. This event will be a tremendous opportunity for LSC to not only showcase our club but also to raise some much-needed funds to support the ongoing programs we provide. We will require a great deal of volunteer effort ensure the success of this event.

To that end, we require that all families who register their child in LSC programs this year sign a Fundraising/Volunteer agreement, which will ensure that our needs are met when it comes to the competition.

Each StarSkate family whose skater has a 2 or 3 day package will be required to contribute a minimum of 6 hours of volunteer time during our two-day competition on February 9-10, 2019. Parents, skaters and family members may all contribute to combine time to complete the 6-hour time commitment (i.e. three members of the same family could each do a 2-hour block to complete 6 hours total).

Each StarSkate family whose skater has one day package or an adult package will be required to complete 3 hours of volunteer time, which can be completed in the same fashion.

To ensure we don't fall short of volunteers, you will be required to submit a cheque deposit, post-dated to March 1, 2019 that we will cash ONLY if you do not meet your volunteer commitment. Once the competition is over and you have completed your commitment, your cheque will be returned to you. If you prefer NOT to contribute your time, you may buy-out the commitment for the full amount in advance.
