From the Community Lay Director

Jerry Goodwin, Blue Lake Walk to Emmaus #20, Table of Thomas

Jerry Keel, Donna and I traveled to Harrisburg, Pennsylvania in September to participate in the regional Emmaus/Chrysalis Celebration that was hosted by the Key Stone Emmaus Community. We had a really great time. Donna and I stayed in a campground in the sweetest city in the world – Hershey, Pennsylvania. If you know me, you know I was almost to heaven – all that chocolate. The celebration was really great. Donna and I were there just to represent you – CAEC – and learn about ways to make our community a more effective means of strengthening the church. Jerry Keel was there for those reasons as well as teaching several of the Chrysalis sessions.

What impressed us most was the spiritual emphasis that the Emmaus folks from Nashville presented. Sure, they want us to go “by the book” but that was not the main topic. We heard talks from several of the Emmaus officials as well as fourth day talks from the local Emmaus and Chrysalis community. It was all very inspiring. We came away with a renewed excitement for Emmaus/Chrysalis. In the training sessions, we learned more about the “model”, how other communities were doing things, and the struggles of other communities. We were also able to offer ways to solve problems that other communities were experiencing by telling them what we did when we had that problem.

Let me take a few lines to talk about the “book” that outlines the “model”. I am sure that you have heard these terms mentioned if you have been around Emmaus for very long. What you may not know is that we are required by the Upper Room to do our Walks according to the model. All of the members of the CAEW Board are required to sign a covenant that says that we will follow this model.

They are beginning to really push this adherence and in some cases are closing down Emmaus communities that are making no effort to conform. We are not doing too bad but we do have some areas that we may have to work on. Now I’m not telling you that we are fixing to make a lot of changes. The Board will have to pray about and discuss any changes

How and why are people selected for the Conference Room? (Part 2)

Jerry Keel, CAEW#21, Table of Luke

If you remember from the last issue of the Fourth Day I pledged to attempt to answer your questions as to the qualifications for each position in the Conference Room. I will try to follow some sort of a pattern with the positions. This issue will explain the position of **Table Leader**.

This position requires that a person serve approximately one year in some non-Conference Room positions and have served in the position of Assistant Table Leader at least twice. Everyone who has fulfilled these two qualifications has their name placed on a computerized list as a possible Table Leader of the future. This list is given to Team Selection as well as the upcoming weekend Lay Director. The upcoming Lay Director and the upcoming weekend Spiritual Director go over the list and come up with a list of people that they feel are ready for the Table Leader position. The upcoming Lay Director brings this list to the Team Selection Committee meeting.

Team Selection must then go over the list and compare it to the list of people that are eligible for that position. Then as with the Assistant Table Leader position, Team Selection must look deeper to see if that person is active in your cluster, their church, is in a reunion group, attends team meetings and other Emmaus events, and has been a good sponsor. The object here is to see if that person has become a good leader. Then Team Selection has to look at who has served in the Conference Room their limit of two (2) times during the calendar year. If a person has served twice then their name is removed from the list. If Team Selection votes yes to all of the qualifications, then their name would be given to the weekend Lay Director as a possible Table Leader for the upcoming walk.

The list will grow to approximately twenty (20) names for the Table Leader position. The weekend Lay Director is again told that the seven (7) Table Leader positions have to represent all four corners of the Central Alabama Emmaus Community. They are told who would be new to the Conference Room, who has *some* experience as a Table Leader, and who has a *great deal* of experience in the Conference

ASK BUBBA: Where is approved parking when I come to Camp Alamisco to serve?

If you remember the basic illusion, that no Pilgrim is to be aware of your presence, this is easier. NEVER around the Conference Room, the kitchen or along the road the Pilgrims travel to the Chapel. Please park (off the pavement) towards the lake or in either of the housing areas.

If you are unsure, please check at the Servant's Pool as they will also have the timetable. You don't want to get caught out in the wrong place- jumping into the woods can be hazardous. We do give "parking tickets" to remind you if you're in the wrong place. My sources tell me Aunt Emma almost got one on the last Walk!

before they are implemented. And there are currently no changes under discussion.

But we are experiencing a lot of growth and the Board will be looking at our processes to make sure that they are producing the Emmaus experience that God wants and expects. After my last article, I got some real good suggestions from some of you of areas that might need a little tweaking.

Thank you for your suggestions. I ask that you pray for the Board and each board member. That we will be open to the leading of the Holy Spirit so that CAEW will continue to have the tremendous impact on lives that we have seen in the first 51 walks. You should now have a ballot to elect new board members. Please pray about this decision. Be sure that you mark your ballot and send it in.

Hope to see you at a team meeting or Walk real soon.

Room as a Table Leader. The seven (7) chosen must represent all three (3) groups.

After Team Selection, the upcoming weekend Lay Director will begin calling and offering the position of Table Leader to the names on the list. This is no easy job, since they must wait until the invited person says yes or no before they can go to the next name. Many people pray over the list of names before there is ever a meeting to select the list to be called for a team. Once the seven (7) Table Leaders are selected from the list of twenty (20) then the weekend Lay Director begins praying over the list of seven (7) for God to show them *who* is to give a talk and *which* talk they are to give. God always seems to put the right people on each team because out of 51 walks we have never had a bad talk or a bad weekend.

I have to admit, I never knew how hard it would be to serve on the Team Selection Committee. We have nearly 2000 people in this community and everyone is qualified to serve in some position. But Team Selection has to look for the people that go out of their way to support the Central Alabama Emmaus program and demonstrates a true heart for serving others. It really breaks our heart to hear someone say that they have done their time in the non-Conference Room positions and will not work another weekend if they can't serve in the Conference Room.

A good *leader* is a good *servant*. I have heard very few pilgrims stand up at Closing and say that a person in the Conference Room touched them in a way that changed their lives; but on the other hand I have heard many times someone talk about the servants in the background, the people at Candlelight who touched them and showed them love in ways they have never felt. If you have never been asked to serve as a Table Leader and you feel you are qualified, please don't give up. Continue to serve the pilgrims, sponsor others to an Emmaus weekend, serve your cluster and your church, but most of all continue to serve our Lord and Savior. If you do this your time will surely come, but not until God is ready to have you called.
