### Current Best Bets

Expect lines to move throughout the week.

**3★ (388) WASHINGTON -12.5 over Cal.** Washington is my top play as the Huskies have revenge from an outright upset loss at Cal a year ago. QB Jacob Eason actually looked liked an upgrade over Jake Browning in Week 1 and I feel Cal is a play against team this season.

**2★ (331) Nebraska -4 over COLORADO.** Nebraska certainly struggled in Week 1 vs South Alabama, but again this is a revenge game vs a team they dominated in the box score last year. Colorado had one of the more misleading wins of Week 1 as they were +4 in TO's vs Col St.

**1★ (378) PENN ST -27 over Buffalo.** Obviously, Penn St was very impressive in their blowout win over Idaho. James Franklin isn't afraid to run it up and I'm worried about the Buffalo pass game this year.

**1★ (479) Houston +7 over NEW ORLEANS.** New Orleans is just 1-9 SU/ATS in the first two weeks of the season the last 5 years. Will there be a hangover for them after yet another heart-breaking post-season loss?
