Did you know Greenwood Rural VFD has smoke alarms and Carbon Monoxide detectors available to residents and will assist with installing one per resident? Limited supply. Call us 817-594-9473

This information will assist the fire department in being better prepared for an emergency at your home. This information is confidential and only used in case of an emergency.

Draw a layout of your house or property. Include septic, driveways, ponds, pool, entrances, gates, rooms, propane or gas lines/tanks. Anything that would help us be better informed if there is an emergency at your resident. Please call us if you need any help or suggestions. We will be happy to stop by. 817-594-9473 or email us greenwoodvfd@yahoo.com
