

You're The One

Is it you
I've been waiting for
All my life
I've been waiting for someone
To make a change
A change for the good
In exchange
Exchange for what could
Be a love
As our eyes meet
No words spoken
Yet I know
I know

You're the one
I've been waiting
Waiting here so long
Before you everything was so
Wrong wrong wrong wrong wrong
I was one
And one and one make two
Is it really you

I found a friend
I didn't know
That you had been
To this place before
I ask again
Is it you
Here to bring
Peace on Earth
Now I know
Yes it's true
It's true

You're the one
I was a stranger
Just another lonely son
Then you took me in
In your loving arms
You're the one
When I was losing hope
You're the one pulled me through
Is it really you

You're the one
I've been waiting
Waiting here so long
Before you everything was so
Wrong wrong wrong wrong wrong
Now you shine a light
And make everything brand new
Is it really you

You're the one
When I was hungry
And you gave me food to eat
When I was thirsty
Ah, your water tasted sweet
I was a stranger
Just another lonely son
You took me in
Your loving arms
You're the one

And when my clothes were old and worn
You gave me new
When I was sick and losing hope
You pulled me through
You're the one who makes
The sunshine through the rain
You're the one who sees me
Through the sorrow and the pain
You're the promise of the rising sun
You're the purpose
You're the meaning
You're the one
