Jimmy White Park  
Hartsville, S.C.  
April 2-6, 2018

A logo featuring two crossed baseball bats and a baseball. The bats are silver with black outlines, crossing at the center. A white baseball with red stitching is positioned in the center, overlapping the intersection of the bats. A white rectangular box with a black border is superimposed over the upper part of the bats and the top of the baseball. Inside this box is a paragraph of text in a cursive font.

*To promote the game of baseball, to  
enhance the lives of athletes through  
competition and scholarship, and to  
involve the community by assembling  
sportsmen in tournament play.*

Welcome to Hartsville, S.C. and to Jimmy White Park:  
home of the 18<sup>th</sup> annual Southeastern Baseball Classic.

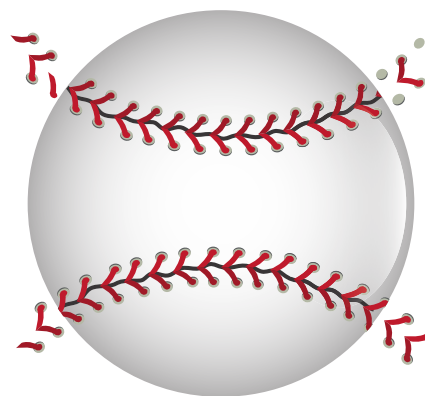

As your tournament director and board member, I can  
honestly say we have dedicated ourselves to provide you an  
enjoyable tournament that will produce memories that will last a  
lifetime.

Baseball is a great tool that brings young men together for  
competition, fellowship, activities and bonds we hope will last for  
years to come.

Enjoy yourselves in Hartsville during the tournament week.  
We hope you will return for another Southeastern Baseball  
Classic.

Sincerely,

Jimmy White  
Tournament Director

## HIGH SCHOOL

Dear Baseball Fans & Southeastern Baseball Classic Participants,

We extend to you a warm welcome to Hartsville, South Carolina and to the 18th Annual Southeastern Baseball Classic hosted by the Hartsville High School Red Fox baseball program. As in many southern communities, baseball is truly a life-long part of our culture. We grow up with the sport, cherish great memories of playing as children and teenagers, remember and appreciate the fine people who coached us and then enjoy the participation of our own children and grandchildren. In Hartsville, many of those experiences culminate with the Red Fox baseball program and our competition at the highest level of high school baseball in South Carolina. We are extremely proud to play and host this tournament at one of the finest high school baseball facilities anywhere – Jimmy White Baseball Field at Kelleytown Stadium.

As a former guidance counselor and coach, the concept of the “student-athlete” is one of the pillars of my educational philosophy. I understand the time and effort that successful student-athletes must dedicate to both academics and athletics, and appreciate the efforts of the Southeastern Baseball Classic to recognize and reward that high degrees of sacrifice, dedication, and accomplishment. It is my belief that many life lessons – teamwork, loyalty, responsibility, persistence, and just downright toughness – are better learned through participation in sports than in any other manner. When those elements so inherent to athletic success become part of the young person’s work ethic related to academics, that is truly a winning combination.

Public education is a cooperative effort between the school and the community, and there is no finer example of this than the Southeastern Baseball Classic. The tournament committee, our school, our baseball program and athletic department, the Red Fox Club, a large number of local businesses and industries, several area churches, and many families and individuals throughout the community work together to make it one of the finest tournaments of its kind in the country. The SBC offers quality high school baseball, an opportunity for players and coaches to experience great competition and exposure for many aspiring college and professional athletes. Just as importantly, the week brings fellowship opportunities that are the beginning – any many times the annual renewing of last and meaningful friendships. Our hope is that each participant and fan will richly experience all these things at the 2018 Southeastern Baseball Classic.

We hope you will enjoy our community and a great week of baseball and feel that you have been treated with genuine hospitality and exemplary sportsmanship. We appreciate your visit and hope that you will come back.

Sincerely,

Dr. Charlie Burry, Jr.,  
Principal
