

Warm for Winter

Knitting Communities Together

Each handmade hat or scarf represents an individual who should have a safe, secure place to call home. To effectively tackle homelessness in our Washington State Counties, we must create affordable homes each year to reach the goals of our respective comprehensive Plans to End Homelessness.

We are asking commitments from diverse congregations, businesses, organizations, senior groups, schools and individuals willing to contribute to help keep unhoused persons warm while they await housing. Knit, crochet and or sew hats and scarves from fleece or other materials.

There are **men, women, children & youth** ALL in need of housing, waiting in lines ...

everyday just to meet basic needs. Your handmade hats and scarves will help to stave off the winter chill and your generous gifts will brighten a homeless friends day! You make a positive difference.

100% Volunteer Effort

There are hundreds of dedicated WfW volunteers working towards ending homelessness: Start your own knitting / crocheting group; Spread the word; Create handmade hats and scarves; Host a [Warmfor-Winter service](#); Deliver hats and scarves to homeless shelters yourselves. Please contact Janice for a list of shelters, or where to deliver before Thanksgiving...

Thank You All!

Visit [Pacific Fabric](#) stores ask about their collecting handmade Hats & Scarves the month of October for [WarmforWinter](#)
