Licensed Realtor

Shannon Harrigan's passion for real estate began in 1997 at Federated Realty in Shorewood, Wisconsin. Over five years, Shannon developed skills in negotiating, business planning, and business management. In 2002, Shannon joined First Weber Group, the Northshore office, to learn from the top realtors in the industry. She launched her career in 2011 when she joined First Weber Group, Mequon office, and started the Sewart Real Estate Group with her business partner Karine Sewart. Sewart Real Estate Group has provided an opportunity to specialize in luxury marketing. For more than 17 years, Shannon has had a strong, positive impact on the teams she's worked with; generating over \$225 million in sales.

Shannon is passionate about the communities she works in. She has deep family roots in Milwaukee and was raised in Shorewood. One way she gives back to the community is by participating in charitable societies, such as Habitat for Humanity and gives back to the First Weber Group Foundation.

Shannon understands that buying and selling a house is one of the most important transactions a person will make in their lifetime. Shannon works very hard to help clients understand the process of buying or selling a home and provides timely information so they can make the most informed real estate decision possible.
