

## 2017 Annual Membership

Dear Friend of McCook Lake,

We are looking forward to accomplishing our goal of pumping water (and a whole lot of fun!) into the lake this year and into the future. We hope you will participate in supporting this wonderful community resource by becoming a 2017 member of the McCook Lake Association.

Did you know that in 2016, the MLA:

- Had a total of 111 families and businesses contribute.  
Thank you! Many hands make a light load.
- Spent roughly \$100 per day the pumps ran in utility costs to operate the pumps. This was \$50 per day lower than in 2015 due to higher water tables, higher precipitation, and effective pump management.
- Annual budget exceeded \$50,000 for utilities, pump improvements, and yearly maintenance.

Additionally, the MLA Board has also worked hard to ensure that we have a large back-up pump ready to use in case anything should happen to the current large pump that is used.

**Please clip off the bottom portion of this form and return it with your tax-deductible donation, payable to the McCook Lake Association in the enclosed self-addressed envelope.** Remitting no later than March 1, 2017 helps us finalize our budget. Sponsorship levels are listed, but donations in any amount are welcome. Thank you!!!!!!

Another way to leave a legacy is by including the MLA in your estate planning. As a 501(c)(3), the McCook Lake Association can be named as a beneficiary on appreciated securities, retirement plans, insurance policies, or real estate if you prefer.
