

Report from Loving Our Long-Timers to NA by Phone Area Concerning Website Gift May 18, 2020

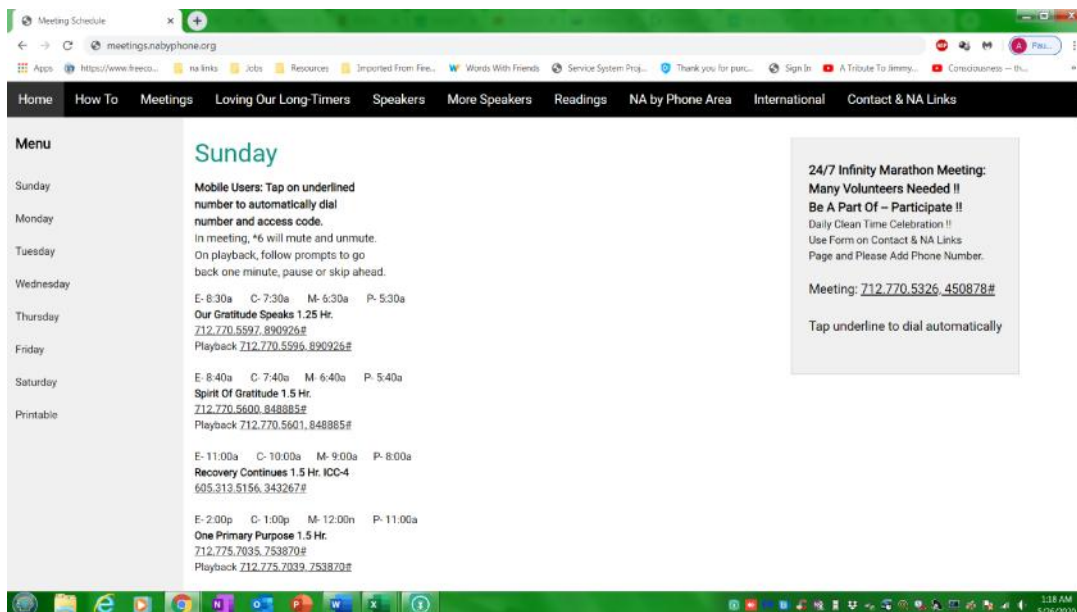

At the last area meeting there seemed to be some confusion as to what exactly Loving Our Long-Timers is giving the area concerning the website. At the Finance Subcommittee we were asked to rough out some prices for what it would cost to continue what we are giving you and when that money would be needed. Here are some rough estimates. These prices are based on today's costs at GoDaddy and will probably be more when these items actually expire.

Domain Name **NAbyPhone.org** includes Privacy Setting
Expires 8/4/21 Annual Renewal: \$30.95

GoDaddy 5 Pack of **Email Addresses**

We are giving you 4 email addresses and keeping one
Expires 2/27/22 for 5-Pack Annual Renewal: \$143.00
Renew for one email address Annual Renewal: \$47.88

Phone Friendly Meeting List – One Page with 7 text boxes
Simple C-Panel Hosting Plan (straight HTML coding). Could be
more pages in HTML. Expires 7/31/21 Annual Renewal: \$107.88

Additional Expenses Needed Soon – The Area will need to convert, upgrade or replace current simple hosting plan to accommodate Word Press pages or find some other hosting plan
Annual Cost: \$240

FYI - The rest of the current website will be gone in October, 2020. Loving Our Long-Timers will not be renewing our current hosting plan and will have a new website dedicated exclusively to LOL.
