OUT OF THE BOX!

January 30 - February 23, 2019

Whether you are a 2-D or 3-D artist, this show knows no boundaries... pushing the media, materials and their techniques.

Examples!?!

Instead of a traditional landscape, why not try a Mondrian-esque type of painting using lines and boxes, and instead of the greens and blues, why not try colors for your trees and sky such as magentas, oranges, purples and the like?

If you are a portrait painter, how about a Picasso-style of switching around body parts, or integrating the inside of the body with the outside like an ultra-impressionistic style?

Still lifes your forte? Try painting in the style of Klee, using geometric shapes and vibrant colors to capture those flowers and bowls of fruit. It's easy to look up these artists to get ideas!

All media are accepted into the show including oils, acrylics, inks, hot or cold wax, mosaics, collage and mixed media. And if 3-D is your choice and you like to sculpt, your options are limitless.

So, get "out of your box" and see what you can do!
