Kids in Elko **won't graduate on time**

This is simply not good enough for our kids, the Elko community, or our country. It's time for a better life for our young people and a better future for America.

The Boys & Girls Clubs of Elko gives our young people the support, guidance, tools, and skills to succeed in life. It is our goal to make sure that all of our youth can achieve the great future that every child deserves.

The Boys & Girls Clubs of Elko counts on the generosity of our community to sustain the daily operations of the Club and ensure that all children benefit from the Club Experience regardless of ability to pay. It costs \$1,200 per child, annually to provide these needed services.

We are asking our friends, supporters and neighbors to make a contribution to the "It Just Takes One" Campaign and **make a real difference in the life of a child.**
