Founder and Artistic Director

A Chorus for a Cause/Harmony Ringers is looking for persons/businesses who are willing to sponsor us. No amount is too small...\$10 to \$5,000 or more. We know that the pandemic was hard on us all, and so we have had to be creative in our ways to raise funds. Here's how it works:

At the time of our concerts (8 concerts for our 2021-2022 season) your name will be printed on a large vertical banner that will be displayed at each concert. Names will be grouped according to the level of giving. In addition, we will mention donors on our Facebook page.

Thank you for your donation.
