Dear Member Family,

March 17th, 2023

We are truly excited to be opening our gates to members on Memorial Day Weekend in 2023! This year represents our 68th season and the Board of Directors and staff are preparing for another great year!

During the off-season, our Operations Committee conducted a thorough review of our compensation policy in comparison to neighboring swim clubs and aquatic centers. The findings showed our wage rates were well below those of similar clubs. This was felt during the 2022 season as staffing became more difficult throughout the summer, and became a cause of concern for future seasons. In response, the Board of Directors adopted a new compensation policy, placing our wage rates in line with similar positions being offered in the area. We are confident these competitive rates will help in both attracting and retaining staff, which the club cannot operate without. To offset the increased payroll costs the club will incur, the Board also voted to increase the minimum membership dues this season. While these decisions are never made lightly, we found this increase to be necessary to ensure a successful future. This will mark only the 4th dues increase since 2007 (and first since 2017). Even with this increase we remain the most affordable yearly fee in the immediate area.

Please take a moment to review this entire document in order to ensure a successful 2023 summer at the SSC.
