

## Priority Registration 2025

### **Parents:**

As always, the school will offer priority registration for Summer School and the Fall of 2025 to families with children currently enrolled at the Learning Tree. ***\*\*This is also the time that you would register any siblings\*\**** Priority registration applications must be received by Monday, February 10, 2025, to receive priority status. The system that we use for all of our registrations is not equipped with a re-registration format, so you will need to print the Registration Forms (one for Summer, one for Fall. Please fill out the applications and return by the due date – February 10, 2025. ***\*\*please print one per child\*\**** Once we have processed your registration, we will provide you with a bill for any Registration Fees and/or Summer School deposits due. Your spot will not be guaranteed until all payments have been made. Last day to make any payments is February 18, 2025. Open registration to the public begins March 10<sup>th</sup> at which time any remaining spaces can be taken.

Every new enrollment period, there is a slight tuition increase to cover costs and inflation, payroll increases, building improvements, new materials, etc. This year, the increase will be between 3-5%, as the “Cost of Living Average” for 2024 was just under 4%. The new tuition rates, which will go into effect at the beginning of Summer School, are also included.

To continue to offer our students the most consistent routine and scheduling, the following options are available for attendance - 5 DAYS (Monday through Friday), 3 DAYS (Monday, Wednesday, and Friday), or 2 DAYS (Tuesday and Thursday). We offer HALF DAY (8:50-12:00) and FULL DAY (7:00-6:00) options for any of the three attendance choices.
