

FROM THE PRESIDENT

GaSCar October 2021

Well, it's October! The leaves are falling, cooler weather is coming, and GaSCar activities will increase as the temperature goes down. I am really looking forward to our Salad Supper meeting on the 19th (remember to come at 6:00) and the car show at St. Teresa's Church on the 23rd. While both are fun events, remember that GaSCar really needs your help and support for our garage sale on the 16th and also for set-up evening on the 15th. Your continued support for our garage sales allows our club to keep our dues low and still have the necessary resources to continue club activities.

It was very nice to see so many GaSCar members drive their antique cars to John Force's Open House/Birthday celebration last Saturday. John, as many of you know, is a charter member of GaSCar and a truly avid enthusiast of the antique car hobby. Some medical issues are limiting his involvement in his car hobby but, with the help of his son Mike and

the rest of his family, they are helping him to participate as much as possible. Their hard work in putting together John's birthday celebration and allowing us to look at his marvelous car collection was greatly appreciated and enjoyed by everyone. We also need to give a special thanks to Ernie Dinkins who, using his extensive list of contacts, had a beautiful large "Happy Birthday" banner made up at the last minute to help celebrate and enhance the occasion. All in all, a very pleasant day of food, fellowship, and (of course) car talk with our GaSCar friends.

There are many additional car-related activities going on this time of the year so be sure to keep current with your GaSCar Newsletter for details. As always, keep our sick and ill members in your thoughts and prayers. God makes a difference! Happy Antique Motoring! See you at our GaSCar garage sale October 15th & 16th.
