

Hi Friends,

My name is Grace, and I am a coach at Jump! South. I grew up in Ohio. I went to college in North Carolina; and after graduating I moved to Texas in 2019. I am very excited to coach gymnastics. I was a competitive gymnast throughout grade school. I love sports and physical activities. I stopped gymnastics, due to my love of horses. I am also a horseback riding instructor! I realized, I often think of my gymnastics days, and wanted to get back into it! Thankfully, Jump! Gymnastics is giving me the opportunity to coach and get back into the gymnastics world.

Fun Facts: My favorite color is green, and I have a dog named Thor.
